**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I prefer to choose a local competitive provider as I am supporting my local economy providing local jobs. Everyone should have a choice at affordable internet not influenced by big internet companies. Big corporations have no interest in small companies and the working class. All they care about is destroying local economies and lining there pockets.
